

# WENTWORTH WEEKLY NEWS

Friday 6th March 2015

## School News

Dear Parents

- ◆ Thank you for all your feedback about parents evening. We had some very positive feedback and was very much appreciated by the Teaching Staff.
- ◆ We had some fantastic costumes on World Book Day. Lots of reading work was carried out in each class. We have set up a link on our blog for you to view some of the pictures.

## Olympics

Beech class visited the Institute of Sport in Sheffield this week to take part in the mini olympics. They had a fantastic time and showed just how talented they are! Could we have a future Olympic athlete in our school?

## Maths Masterclass

Mr T is currently running a series of Maths Masterclasses at which pupils from 25 local primary schools are represented. Some of our Wentworth pupils attended on Monday and were absolutely fantastic. They exercised some super learning muscles and represented our school impeccably. Well done!

## Website Update

We have continued to update our website with the inclusion of 'Pupil Zone' This section of the website has lots of ideas to support learning at home and helpful hints for pupils when completing their homework. We hope it is useful!

Did you know— you can now follow us on Twitter? You can also view our twitter feed on the homepage of our website if you don't have a Twitter account. . .
