MOTHERING SUNDAY

We would like to say Happy Mothers Day to all of our school mums and I hope that you all have a lovely time with your family over the weekend. I hope to receive flowers and chocolates from my own two boys! *If they remember!*

Mothering Sunday is the fourth Sunday of Lent. Although it's often called Mothers' Day it has no connection with the American festival of that name.

Traditionally, it was a day when children, mainly daughters, who had gone to work as domestic servants were given a day off to visit their mother and family.

Today though it is a day when children give presents, flowers, and home-made cards to their mothers.

Holy Trinity Church are holding a Mothering Sunday Service, on Sunday, at 10:45am and they warmly, welcome all of our families to attend the service in church.

Red Nose Day

What a fabulous day! Thank you for all your donations— everyone looked amazing in red!

Digital Leaders

Our digital leaders have been busy again. They have been meeting regularly to discuss internet safety. Check out the digital leader section on our website for full details.

Solar Eclipse

On Friday 20 March 2015 we will be able to witness a Solar Eclipse. This happens when the Moon moves directly between the Sun and the Earth. If we miss this one we will all need to wait until **2026** to catch the next partial eclipse. The Eclipse will begin around 8:45am, the maximum Eclipse will be around 9:30am and it will all come to a close around 10:40am. We hope to share this experience with the children in school.
