Vision Statement

Our school vision for Wentworth C of E School reflects a very passionate commitment to learning and recognition of the uniqueness of individual learners. It is driven by our desire to offer the best possible education for all of our pupils.

This can be done most effectively when all staff, parents and children understand their responsibilities and work together towards the same goals, as detailed in our home/school agreement.

Our School Will...

The Learning Environment

- Provide your child with a high standard of education, implemented by rigorous national guidelines, within a balanced curriculum.
- Ensure that our learning environment is stimulating and challenging.
- Celebrate your child's academic and personal achievements.
- Provide the scaffolding needed to enable your child to achieve their full potential.
- Care for your child's safety and well-being by observation and listening to them.
- Promote our agreed Christian school values throughout the school

A Healthy, Happy Community

- Teach your child to develop a positive attitude to one another, regardless of gender, race, culture, belief, values, age and need.
- Encourage your child to become an active member within our community and help them to see that they can have an impact on the world around them
- Regularly meet with you to communicate the progress of your child, celebrating their strengths and explaining how we can support and scaffold them in their areas for development.
- Provide information to you about our school, including relevant policies, meetings, workshops, activities, newsletters and open days.
- Be very happy to welcome you if you would like to contribute to our school's broader curriculum. We recognise that the community of Wentworth holds a wealth of talent, experience, diversity and enthusiasm that our school could benefit richly from.

Homework

- Set differentiated and achievable homework to extend the curriculum and provide the opportunity for independent learning. Clear information will be provided so that you will be able to help your child if required.
- Provide information and helpful training sessions for you that will give you confidence to support your child.

I as a Parent/Carer will...

The Learning Environment

- Make sure that my child will arrive at school ready to start the day by 9:00am in the knowledge that school is open from 8:45am.
- Make sure that my child is wearing named school uniform and black sensible shoes and that their PE kit is in school at all times.
- Endeavour to provide a safe, secure, supportive and happy environment at home for my child, acknowledging that they learn at home.

A Healthy, Happy Community

- Let the school know of any concerns or worries that may be affecting my child's learning, behaviour or ability to do homework, so this can then be resolved quickly.
- Support the school by encouraging my child to develop a positive attitude towards our diverse, multi-cultural community.
- Attend meetings and events with my child's teacher and other staff, aiming to be supportive, positive and productive, working towards moving my child on in their learning.
- Support and work with you to ensure that the behaviour management systems and policies of the school are maintained in the behavior displayed by my child.
- Encourage a positive attitude towards my child's education and our school. If I have any concerns, I will come and discuss them with you, recognizing that it is much healthier to work out solutions and move on.
- Read all information sent home as this gives me important details of relevant policies, meetings, workshops, activities, newsletters and open days.
- Support the school and parent fundraising group when fundraising and organising activities for the benefit of a variety of causes and also our school.
- Ensure packed lunches and break time snacks that I provide are in line with the schools Healthy Eating Policy.

Homework

- Please support the school by making sure that homework tasks are completed and returned on time. A child who hasn't completed their homework is often an unhappy, worried one!
- Please use your talents and experiences to enhance your child's learning at home – Your child will benefit greatly from what you can show them, discuss with them and teach them.
