## Our School Ethos Values and Vision

As a Church of England School we are all fully committed to Christian values and principles that make us Distinctly Christian.

Our vision for Wentworth C of E Primary School is one that will nurture an ethos that develops our pupil's awareness of Christian ideals, whilst also acknowledging other social, moral, spiritual and cultural beliefs.

Relationships will be characterised by mutual trust, kindness and forgiveness built around a consideration built upon a foundation of high behaviour expectations.

All stakeholders are fully aware of our six core values that underpin our entire Christian atmosphere and feeling, within and around our school and community.

**We work together.**

**TRUST**

Trust is the very essence of having faith and believing in others around us. Trust lies at the heart of all of our relationships and we need to be able to trust in our own ability to be able to move forwards.

*John 14:1*

**We are respectful.**

**THOUGHTFULNESS**

To be thoughtful we have to think of others and how we treat them. We are always kind and considerate and treat each other with respect.

*Luke 2:41*

**We do the right thing!**

**CARING**

We understand how important it is to care for our world – our environment, our neighborhood, our school, our classroom, our Earth and all its harvest. By caring for others we become better citizens.

*Mark 12:29*

**We show understanding**

**FORGIVENESS**

Forgiveness has no limits and we must remember that it has to be genuine and from the heart. When we say we are sorry for any wrong doing we understand WHAT we have done wrong and have the deepest desire not to do it again.

*Matthew 18:21*

**We show determination!**

**SELF CONTROL,**

is about having inner strength and will power in difficult situations. We will endeavour to make the right choices even at difficult times. We act in a way that allows us to enjoy our success and achievements and also to treat others with respect.

*Galatians 5:22*

**We are a community**

**SHARING**

We act in a way that everyone can feel safe and confident to share their feelings and ideas. We share our resources and understand the need to look after and take care of everything and everyone in school.

*Matthew 25:35*
