WHITE WOODS ACADEMY

Friday 23rd September 2016

The Governors are very pleased with the progress of our application to join White Woods Multi-Academy Trust. Taking on board the views of the parent consultation meeting, we have been working to ensure that the Diocese is represented on the Board of Trustees. We are pleased that this has been agreed and the Diocese will nominate one Trustee onto the Board. Due to the large number of academy conversion applications it may be, our school will formally join the Trust in the Spring of 2017.

However, in the meantime, our School is working closely with the Trust on various projects and aligning our systems to ensure a smooth and seamless transfer. We are confident the School will benefit greatly from joining this strong Academy Trust and that all of our pupils will continue to learn and flourish in a happy learning environment.

Jane Collier Chair of the Governors.
