

First Week News

Friday 9th September 2016

If this is your first year at Wentworth C of E Junior and Infant School, we welcome you to our school!

We very much hope that you have all had a wonderful start back to school. It is always lovely to see so many happy and smiling faces returning to school.

We are all excited to have all of the children back, filling the classrooms and playground with their energy and enthusiasm for learning. At Wentworth School we have great teachers who spend hours planning and creating engaging and wondrous classrooms for children to explore and learn in.

Say hello to our new Attendance Bear !

Wentworth School works in partnership with parents to improve school attendance. We would like to congratulate the many parents who make sure their children attend school regularly. Our target this year is **97%**.

In our celebration assembly each week, classes are awarded extra time for achieving the highest attendance of the week.

This year we have an 'attendance bear' that will be presented to the class attendance winner !
