Dear Friends

Thank you so much for your generous Harvest and donation of £39.15.

At this time of year, your support is absolutely vital. With the temperature dropping and the weather changing, a hot meal or a clean set of clothes can make all the difference to someone living on the streets.

But here at the Archer Project, a meal means so much more than just a full stomach. Each of the meals we serve offers us the opportunity to engage with Sheffield's homeless community, to get them the physical and mental care they need, to get them involved in our skill building activities and, most importantly, to build the trust and rapport necessary to support people into more sustainable lifestyles.

One of our service users, Tom, said that the Archer Project provides "somewhere to come to socialise with people. You do activities to keep your mind occupied. You get hot food in your stomach, and someone you can confide in. Archer Project has changed my life."

Your generous donation means that we can continue to offer vital services to over 70 of Sheffield's most vulnerable people every day. Thank you again for making that possible. Together we are giving people a second chance.

Best wishes,

Tracy Viner  
Marketing and Development Manager
