Attendance

Welcome back. I hope everyone had a lovely Easter break. Can I take this opportunity to just remind parents about our children regularly attending school and how important it is that children are not taken out of school in term time for holidays.

CHRONIC ABSENCE 18 or more days

WARNING SIGNS 10 to 17 days

GOOD ATTENDANCE 9 or fewer absences

All children benefit from attending school regularly. As well as educating children, schools provide opportunities for making friends and learning how to get on with people. Children are also encouraged to develop any talents or skills they may have, as well as the essential skills of reading, writing and number. Children who do not attend school miss out on these opportunities. Could I please remind parents that it is a legal requirement for children to attend school.

Please be aware that you should not expect the school to agree to your child going on holiday during term time, if you do take your child on holiday during term time this may result in a Penalty Notice Fine.

Wentworth Village Old People's Treat Committee

Mrs. Sue Hunt visited our school on Monday with a letter of thanks to all parents, children and staff at Wentworth School. They were extremely grateful for the donation they received from us at Christmas. They have been able to organise a trip out to Southport to have fish & chips !

They thought it was a lovely gift.
