

WENTWORTH WEEKLY NEWS

Friday 1st May 2015

School News

Dear Parents.

Year 6 children will have their end of Key Stage 2 SATs Tests in the week beginning the 11th to the 15th May 2015. This is a crucial time for Year 6 so please ensure that you do not book any holidays for this week, or the preceding weeks, when the children will be practising for the tests. These dates are set by the Government and your child cannot take their tests at any other time. This year the children will be tested in Maths, Reading as well as Spelling, Punctuation and Grammar. There will be no writing tests instead the teachers will provide a Teacher Assessment grade which will be combined with the Reading test score to give an English result.

We would like to wish all of our Y6 children good luck !

SYCAMORE ASSEMBLY

Well done to our year 3 & 4 children for a wonderful learning celebration of the Roman topic. All of the children were able to share their learning experiences with the rest of the school.

Year 1 Phonic Screening Owl Visit

Children in Year 1 will be assessed in phonics which are key to them becoming fluent readers. The tests will take place during the **week beginning 15th June**. Please be assured that the assessment activities will be done by Mrs Barker on a one-to-one basis with each child, lasting 5 - 10 minutes, in a low-key and fun manner to enable the children to do their best and to clarify to the Teacher how we can help them continue to make good progress. Please ensure that your child is in school during this week as results of the test have to be submitted to the DFE

Our children in KS1 had some amazing visitors in school this week.

The children all sat beautifully and listened intently to all the interesting facts that he told them about the birds. They were even brave enough to hold one of the owls!

UNLIKE MR TAYLOR!

Gentle Reminders

No Trainers Just a reminder that children should be coming to school in the correct uniform. May I remind parents that trainers are not part of school uniform. Dark shoes should be worn to school.

Water Please can you avoid sending children to school with diluted sugar drinks. Water is essential and is a much healthier choice.

Snacks We try to promote healthy eating in school and so we ask children to bring in fruit or vegetables as a snack at playtime. Please label your children's healthy snack to help us make sure they can eat what they have brought in (a named freezer bag works well). **Crisps, sweets and biscuits are not permitted. We are going to checking pupils snack choices.**

Attendance Parents please remember that holidays are not to be taken in school time.
