School News

Dear Parents.

Christian Aid A huge thank you to all parents, staff and children for contributions made to support Christian Aid week. As a school we raised £45.51 and together with the church contributions the total was £1,781.21. Well done our efforts will help poor families around the world escape from grinding poverty.

Hallam FM School of the week I hope you all tuned into Hallam FM this week and heard our little DJ super stars!

Felicity, Ava and James from Elm class all took part in the spelling test challenge. It is so lovely to hear such confident speakers on the radio. And what loud voices Beech Class had when shouting out our name on the radio. Well done to all of our children who were involved.

Parents Evening

An informal parents evening will take place on the evening of Tuesday 7th July 2015. You may book an appointment with your child's class teacher using the online system that we now have in place. You will receive your child's end of year report very soon, so you only need to book an appointment if you would like to discuss anything that you read on your child's report that needs clarification. All your child's amazing school work will be sent out at the end of summer term.

Shakespeare

Our Year 5 and 6 children will be taking part in *The Tempest* on Tuesday evening. Our children are involved and have been working during school time on a holistic curriculum around Shakespeare, as well as rehearsing their performance throughout the last few weeks. I am sure it will be an amazing event and I know both staff and pupils have worked very hard on it.

The show begins at 7pm.

(doors open at 6:30pm)

Whitby Residential

It's that time of year again when we are planning our Year 5/6 residential trip for the academic year 2015/16 to Whitby. The trip is planned to take place week beginning 28th September and the children and staff will stay for a week. The full cost of the trip will be £180.00 and we are more than happy for the payments to be spread over the course of the next few weeks and into September. A meeting will be arranged for parents early in September where we will be able to discuss the times and other important information.
