School News

Dear Parents and Carers

What a fabulous week! We've seen some amazing super hero dancing at the Elm Fabulous Finish, had some fantastic Lego building and "Awesome Lego Dance" in Beech, we've enjoyed watching our pupils deliver a fitness session to our parents in Willow (thank you for being such great sports!), and even went "Back to the Future" with Rowan. There are some fantastic themes lined up for next half term— we can't wait to see what our learners produce! Thankyou to all the parents for attending and for your continued support. It is always a pleasure to be able to share your children's wonderful work with you.

Book Fair....

We had a tremendous response to the book fair, which was very well attended. We reached our target of £600 in sales! Which enables us to obtain £300 of free books for school.

Happy Reading!

Our online payment system is now live. This is to be used for paying dinner monies, trips, activities and for uniform orders. We apologise for the delay in setting this up which was due to technical difficulties. You should now all receive an email and text advising you of your password to log in to the school money site. A link can be found on our school website, click on the about section, then payments.
