

This week's Nando chilli challenge!

THE POKEMON PROJECT

You have until the end of term to complete these exciting activities to create your own pokemon project! ALL tasks must be ticked off in class each week as you complete them. Your FULL project needs to be in on our fabulous finish.

TASK 1

Create a new pokemon!
(Name it, draw it and label it)

TASK 2

Create a DETAILED factfile about your pokemon. It must include:

- Name
- Age
- Habitat
- Food (what it eats)
- Origin (country)
- Level
- Evolution
- Height
- Weight
- Colour

} All must
be described
in detail!

TASK 3

Create your very own pokemon card for it to be registered in Professor Willow's pokedex.

TASK 4

Create a model of it!

This may be done by sewing, building, clay etc.

Be inventive, use your imagination!

There will be a chart in class - you must tick each task off when it is complete - this should be done
