

# WENTWORTH WEEKLY NEWS

## School News

Friday 4th December 2015

Dear Parents

Could we please remind you to use the online payment system to pay for school dinners, trips and activities whenever possible. By using this it not only helps us to provide a more efficient service but would also free up valuable time that we could then spend on promoting teaching & learning opportunities in school.

Wentworth School is a no smoking area - please be advised this also includes the playground area - Thankyou for your co-operation.

Rowan class used our new forest school area for the 1st time this week and enjoyed an interesting maths lesson outdoors! We will be using this area more in the new year. *Check out the class blogs and twitter feeds for upto date information.*
