At the end of this year we will be saying goodbye to a very special lady. Sue Keen has been a cleaner at Wentworth School for over 15 years. During this time, she has carried out her duties with dedication and always ensured our school looks fantastic. Many visitors have commented on how clean and fresh the school looks. Sue has been a huge supporter of both the school and the community during this time. Sue is an irreplaceable character and all our staff and governors will miss her fabulous sense of humour and kindness. Thank you Sue and we wish you well!

Staff Changes

Once again it has been an enormously busy half-term with lots of changes, visits and events happening in school. We are very proud to share with you that a number of our staff have been successful in securing promotions recently! Miss Mee will be leaving us at half term to undertake HLTA training in a new school whilst Mrs Warrender is also starting a new role at a new school later in June. We wish them both every success for the future and thank them for the hard work and commitment they have given to the school. Additionally, Miss Bamforth has secured a position in a school closer to home providing her with new challenges whilst Mr Taylor is also moving on. Both leave us at the end of the year. We will also be saying a fond farewell to Kate Hyland Collier next year. Kate has been a huge source of support to our staff and children and has worked at Wentworth School for more than a decade! We wish her well for the future. We will therefore be welcoming three new members of staff who are really looking forward to meeting all of our fantastic children and parents.

They are Miss Gummerson, Mrs Ralph and Mrs Russon.

We are delighted to share with you that Miss Allen has completed her Schools Direct Training and will be joining us as a newly qualified teacher in September. She has been a fantastic addition to the school and we are very excited for her to be joining our team. We are also thrilled to tell you that Mrs Barker will become our new Deputy Head Teacher next year.

In September we will be joined by Mr James Hollin who will be undertaking Schools Direct Training.

We are lucky to have such talented professionals here at Wentworth and I am sure you will join me in wishing them all good luck in their new respective roles.
