

# WENTWORTH WEEKLY NEWS

Friday 6th May 2016

## School News

### Kill your speed - not a child!

A number of parents have complained about cars driving at speed around the roads surrounding school and about parking in the staff car park. Parent parking is the car park furthest away from the school. Please park safely! Please drive slowly!

Please check uniform labels to make sure that everything is still named so if lost we can return it to you. We do have an increasing amount of lost property available to claim at the school office if you have any items missing.

## Holidays in Term Time SATS Week

We are having an increasing number of holiday requests during term time which is a disappointment. Time out of school can only be authorised in exceptional circumstances and holidays do not qualify. Please could we also ask that parents make every effort to book all dental/health appointments outside of school hours.

**Our Attendance TARGET IS: 97%**

We want to wish our Year 6 children 'Good luck' for next week. Our Year 6 children and staff are working exceptionally hard to prepare themselves for the new end of Key Stage 2 assessments which take place the week beginning Mon 9th May. Please make sure you arrive on time Year 6.
