

# Weekly News

Friday 14th October 2016

## School Council News

This week the school council has been discussing healthy schools and snacks. Healthy and unhealthy choices and what to have in lunch boxes.

## Community News

It has been brought to our attention that the lane to the carpark is becoming somewhat congested. Please can you ensure where possible that you are parking in the car park and not the lane. Thank you for your continued support.

## Head Lice

We have reported cases of head lice in school. Please check your child regularly so we can eliminate these unwelcome visitors. It is best to fine tooth comb your child's hair with a tea tree treatment and conditioner so the eggs can be removed. Doing this just once is not effective and needs to be repeated daily until you are sure they have gone because if any eggs are left they will hatch and the cycle starts again. Please tie long hair back. Extra guidance can be found on the NHS website.

## Harvest Festival Thursday 20th 2:30pm

We look forward to you joining us for our Harvest celebration which will be held in The Holy Trinity Church, please send donations of non perishable items on the morning of Harvest. The children have been busy rehearsing their words, actions, dances and songs for you to enjoy.

## A visit from Zoo Lab

We have had visitors of the mini beast kind in school today as part of our Rainforests and Jungles topic. It was a fantastic experience, one which the children all enjoyed. Have a look at our photos on twitter!

## Next weeks events:

**Fabulous Finish -  
Monday - Willow  
Friday - Elm/Beech /Rowan & Birch**
