Friday 18th November 2016

School Council News

The school council are really pleased to see everyone making that extra effort to make healthy choices. They have also made the staff think about their snacks!

This week our Green Pepper percentage is

How we keep you Up-dated

In order to keep all of our parents as informed and updated as possible we encourage you to regularly check our **school website**. We have updated the About section so that all letters now sent home will also be available to view online. The weekly newsletter will be sent home with children each Friday and also added to the website.

National Anti-Bully Week

Anti-Bullying Week in England is coordinated by the Anti-Bullying Alliance and took place this week.

The theme this year is:

'Power for Good' with the following key aims:

- To support children and young people to use their **Power for Good** –

by understanding the ways in which they are powerful and encouraging individual and collective action to stop bullying and create the best world possible.

Each class has spent time reflecting on what it means to be a good friend, how to deal with situations that make them feel unhappy and who to talk to when they need help. The QR Code will direct you to the website to talk some more with your child at home about how you as a family can deal with situations should they arise.

Children in Need

A spotty day was had by all today and despite the wintery weather the whole school went off in to the woods in search of spots! We will let you know how much we raised as soon as we have collected all the donations.

Dinner Money

As a school, we have a high amount of dinner money debt owed at the end of each week. Payments for school meals must be made in **ADVANCE**.

Our preferred method of payment is online using **SchoolMoney**.

Please contact the school office if you are experiencing difficulties in paying for your child's meal in advance so alternative arrangements can be made.

Despite numerous requests, dinner money debt continues to rise.

Could you all please give your full support and co-operation to resolve this issue.

This Weeks Learning Heroes are:
