Dinner Money

As a school, we have a high amount of dinner money debt owed at the end of each week. Payments for school meals must be made in **ADVANCE**.

Despite numerous requests, some dinner money debt continues to rise. Thank you to all who have been able to resolve this issue so far.

Please contact the school office if you are experiencing difficulties in paying for your child's meal in advance so alternative arrangements can be made.

Debts outstanding from the previous week may be passed on to RMBC for recovery.
