

Wentworth Christmas Fair takes place on Sunday, 27th November between 11am and 4pm.
The Fair organisers have asked if a child from school would like to switch on the Village Christmas Lights as part of the fair tradition. If you would like your child to be considered, and you are able to attend, please return the reply slip below by Friday 25th November. We will then pick a name from a hat and the Fair organisers will be in touch with the winner to confirm details.
