

WENTWORTH CHURCH OF ENGLAND JUNIOR AND INFANT SCHOOL

FREEDOM OF INFORMATION SCHOOL POLICY

1. Introduction

One of the aims of the Freedom of Information Act 2000 (which is referred to as FOIA in the rest of the document) is that public authorities, including all maintained schools, should be clear and proactive about the information they will make public. To do this we must produce a publication scheme setting out:

- **The classes of information which we publish or intend to publish;**
- **The manner in which the information will be published; and**
- **Whether the information is available free of charge or on payment.**

The scheme covers information already published and information which is to be published in the future. All information in our publication scheme is [either available for you on our website to download and print off or] available in paper form. Some information which we hold may not be made public, for example personal information. This publication scheme conforms to the model scheme for schools approved by the Information Commissioner.

2. Aims and Objectives

The school aims:

- To provide a supportive framework in which children develop self esteem and feel able to achieve.
- To offer equality of opportunity for all children within a broad and balanced curriculum encompassing the aims and objectives of the National Curriculum.
- To have high expectations of every child and to seek to enable every child to achieve their full aspiration.
- To encourage respect and tolerance towards the feelings and needs of others.
- To maintain a learning environment, which will enhance effective teaching/ learning and this publication scheme is a means of showing how we are pursuing these aims.

3. Categories of Information Published

The publication scheme guides you to information which we currently publish (or have recently published) or which we will publish in the future. This is split into categories of information known as 'classes'. These are contained in section 6 of this scheme. 2

A well managed records and management information system is essential to help schools to meet requests.

Requests should be dealt with within 20 days excluding school holidays.

Wilfully concealing, damaging or destroying information in order to avoid answering an enquiry is an offence. A valid FOI request should be in writing, state the enquirer's name and correspondence address and describe the information requested.
