Dear Parent/Carers

### NSPCC NUMBERS DAY

To continue our schools' strive to support the wider community we shall be taking part in the NSPCC Number Day event on **Friday 3<sup>rd</sup> February**. The day will provide an opportunity for children to invite an adult to join them to take part in number activities aimed at 'the mastery approach to mathematics' enjoy a drink and a biscuit whilst raising money to support less fortunate children.

We are asking for a donation of £2 per adult attending the number day. Should an adult be unable to attend the children will still have the opportunity to enjoy a biscuit and drink of juice within their class timeslot and take part in the maths activities, we just ask that a donation of £1 be made to support this fundraising event. The times for each class are listed below:

Elm	9:20 – 10:00
Beech	10:10 – 10:50
Willow	11:00 -11:40
Rowan	1:30 – 2:10
Birch	2:30 -3:10

Any donations of biscuits would be greatly received; please send donations in to school on Thursday 2<sup>nd</sup> February. We very much look forward to you joining the children and staff for the event.
