A reminder that dates for school events are on the calendar, as well as weekly up-dates on our newsletters and school website. Do put them in your diaries and make time to come along as both the children and staff enjoy to see you attending.

We warmly welcome our new PE coach, Mr Lee Wasden. He is a very experienced teacher and PE coach who will deliver our PE sessions and our after school club, every Tuesday afternoon. So, please remember to provide your child with their school PE kit. Outdoor PE kit and appropriate footwear is essential in inclement weather.

## School Council News

This week our green pepper percentage is -

We have a display in our pupil zone which encourages us to 'think before we drink'.

Children have the opportunity to guess how much sugar is contained in popular drinks.

The amounts are quite astounding!

## Adverse Weather

As the cold weather continues, we would like to remind parents of the procedures for the possible closure of the school due to adverse weather conditions. We will always aim to keep the school open unless it is considered unsafe for children and staff to attend or travel to and from the school. In the event of any type of unforeseen school closure please consider we need to keep the phone lines free and we will communicate with you as soon as we possibly can do so by text, tweet and local radio. It is, therefore, very important that you advise us of any change to your mobile telephone numbers at this time of year.
