

WENTWORTH CHURCH OF ENGLAND JUNIOR AND INFANT SCHOOL

SPORTS PREMIUM SPENDING

At Wentworth C of E Junior and Infant School, we believe PE and Sport plays a critical role in educating the whole child. PE contributes directly to the development of physical competence and fitness. It also helps children to make an informed choices and understand the value of leading a physically active life.

Sports Premium Money Allocation

We have welcomed the Government's announcement in June 2013 to provide additional funding for 2 years to improve provision of physical education (PE) and sport in primary schools. We are committed to using this resource in developing and delivering high quality PE lessons, alongside greater opportunities for sporting competitions and clubs for all young people.

'Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to choose how they do this' (DfE June 2013)

We have also promoted our Healthy Schools work throughout the year, encouraging children to walk to school whilst also promoting this through programmes such as the '10 day Active Challenge'. We promote after-school clubs and give children the option of fruit and milk whilst in school. Children are also encouraged to take part in games and activities during play times and lunch times where equipment is also available. Additional sports are also provided in school, such Bike Ability training and Archery lessons.

WENTWORTH CHURCH OF ENGLAND JUNIOR AND INFANT SCHOOL

**April 2016 – March 2017
Sports Premium Grant - £8535.00**

Money spent	Provided	Impact
£400.00 £400.00 aside for further development of equipment (£320.86 spent so far)	Sports equipment	To develop the skills of the learners and provide better provision for Physical Education lessons and help deliver quality teaching.
£2765.00	Sports Elevation (April to December) Primary Excel coaching (January to March)	To fund a PE specialist from the company, Sports Elevation. These were appointments made alongside other schools in our Sports Learning Community. The PE specialist works in school delivering high quality PE lessons whilst staff work alongside them for professional development and make observations to further support their own. They also provide support for staff through planning, assessment, after-school clubs at least once a week and INSET training days. They also help organise inter-school events that children participate in and help transport the children to events. This also includes their help auditing and assessing the quality of school equipment.
£00.00	Bikeability programme	To develop children’s awareness of biking skills and to demonstrate and educate healthier ways of transportation to and from locations. This programme contributes to creating a positive and active lifestyle.
£246.75	Archery	To provide an extension to after-school clubs provided through Sports Elevation and encourage children to take part in a wider range of activities, both in and out of school.
£2225.00	Coaches	Towards funding coaches to transport children to and from swimming lessons over the course of three months. The money also goes towards helping transport children to and from inter-school sports events.
£400.00	Hoyland Sports Cluster	To allow us take part in various competitions with a cluster of local schools to further increase sporting and competitive opportunities within school and to allow the Coordinator time to liaise with schools in the cluster to arrange these. It also allows us to take on board other ideas to keep children active within school, sharing good practise and opening up the school to further initiatives such as the 1k a day.
£2498.25	Towards equipment in the Forest School area	To allow us to fund a traversing wall and a wobbly bridge in the area. This allows us to continue to support not only physical activity during school but also support the development of fine and gross motor skills across
